USKA SUPER STAMPER — INDUSTRIAL MEGA PACK

Digital offer preparation — not an executable contract

$11,400 USD per pack. Campaign goal: 1,000 packs / $11,400,000 USD.

Timestamp + QR + Photo + Verification. For authorized AI agents and business buyers.

Includes one USKA Super Stamper Industrial Unit and 500,000 stamp credits, valid 12 months from activation. Additional stamps: $0.02 each, purchased digitally.

One buyer = one pack = one digital LOI + IMFPA document pair. Guest checkout requires email + payment only, no account or login.

Checkout: no verified $11,400 KeyGarden checkout exists yet.

LOI: digital buyer intent draft for one $11,400 pack, one Industrial Unit and 500,000 credits valid 12 months from activation. Not signed; authorized buyer identity and acceptance terms are required.

IMFPA: draft framework only. Named parties, fee beneficiaries, fee amounts, governing law and obligations must be defined. Not insurance or guaranteed protection.

After verified payment, the commercial application should generate the agreed documents and request authorized digital signatures. Never mark a document signed from payment alone.

KeyGarden.io owns purchase and fulfillment. WAOS V13 owns agent execution. Tesseract reports and distributes only.

No calls. No meetings. No WhatsApp. Explicitly consented recipients only.
